TECHNICAL DETAILS

Um Dir die tägliche Arbeit mit unseren Mannequins zu erleichtern, sind in Ihnen folgende Innovationen verbaut. Hochwertige geschraubte Fittings sorgen für eine perfekte Festigkeit und ermöglichen es trotzdem bei Beschädigungen, Einzelteile mühelos zu tauschen. Außerdem schaffen wir dadurch die Voraussetzung für eine umweltfreundliche und sortenreine Materialtrennung für die Entsorgung ausgedienter Mannequins.

EN_In order to facilitate the daily work with our mannequins, the following innovations are applied. High-quality screwed fittings provide perfect strength, and also allow for easy replacement of items in the event of damage. In addition, we create the conditions for an environmentally friendly and sorted material separation for the disposal of discarded mannequins.

SCHULTERFITTING

Zur Befestigung der Arme haben wir ein spezielles Sechskant-Knopffitting verbaut, um hohe Stabilität und Leichtgängigkeit zu ermöglichen und eine größtmögliche Bewegungsfreiheit (360°) zu garantieren.

SHOULDER FITTING

EN_To attach my arms, I have a special hexagonal button fitting installed, to allow high stability and ease of movement, and guarantee the greatest possible freedom of movement (360 °).

HANDFITTING

Unser hochwertiges Handfitting aus Metall verfügt über einen Bajonettverschluss und sorgt für einen perfekten Halt der Hände und das sogar mit Handtasche oder auch bei langjähriger Nutzung.

HAND FITTING

EN_Our high-quality metal hand fitting has a bayonet lock and ensures a perfect hold of the hands, even sustaining a handbag or after years of use.

HÜFTFITTING (STANDARD)

Das Hüftfitting bietet eine ausgezeichnete Stabilität durch den abnehmbaren Hüftdorn und unserer zusätzlichen Arretierung.

HÜFTFITTING (PRESTIGE 2 IN 1)

Das neuartige Spezialfitting ermöglicht den Aufbau sowohl als Mannequin als auch als Torso.

WAIST FITTING (STANDARD)

EN_The waist fitting gives excellent stability thanks to the detachable hip mandrel and a double lock.

WAIST FITTING (PRESTIGE 2 IN 1)

EN_The innovative special fitting allows the assembly as mannequin as well as torso.

BEINFEDER

Bei einer breiten Beinstellung ist im Beinschnitt ein Federmechanismus verbaut, welcher ein müheloses Anziehen ohne die Demontage des Beins ermöglicht. Eine Person ist ausreichend für den Hosentausch durch einfaches Zusammendrücken der Beine.

STANDPLATTE

Unsere runde Glasplatte aus Sicherheitsglas, passt perfekt zu jedem Bodenmaterial und bietet immer einen festen Stand. Im Lieferumfang ist bei jeder stehenden Figur neben dem Fußdorn auch immer ein Wadendorn (beides aus gebürstetem Edelstahl) enthalten.

LEG SPRING

EN For a broader leg position, a spring mechanism is installed in the leg section, which allows effortless tightening without disassembling the leg. One person is enough for the change of trousers, by simply squeezing the legs.

BASE

EN Our round glass plate, made of safety glass, fits perfectly to any floor material, and always provides a firm footing. In addition to the footthorn, there's also a calf fitting (both brushed stainless steel) included in the package.

GEWICHT

Unsere Figuren werden aus hochwertigem Bioresin und Glasfasergewebe hergestellt. Dies ist nicht nur gut für die Umwelt, sondern erleichtert dir den täglichen Umgang mit Ihnen. Das Gewicht einer Standardfigur liegt nur zwischen 7 und 9 Kg.

WEIGHT

EN Our mannequins are made of high quality bio-resin and fiberglass fabric. Which is not only good for the environment, but it also makes the daily use much easier. The weight per standard unit is only between 7 and 9 kgs.

LACKIERUNG

Unsere hochwertigen Oberflächen bestehen aus wasserbasierenden Antiscratch-Lacken. Diesen Effekt ermöglichen wir Ihnen durch eine zusätzliche Beschichtung über unserem Decklack. Das macht Ihr Mannequin unempfindlicher und sorgt zusätzlich für eine leichtere Reinigung.

PAINTWORK

EN Our high quality surfaces are made of water based antiscratch varnishes. We provide this effect with an additional coating over our topcoat. This makes your mannequin less sensitive and also makes cleaning easier.

PRESERVE THE BEAUTY

OUR BEAUTY KIT

Beauty Kit

Damit die Mannequins lange ihre Schönheit behalten, bitten wir Dich immer die mitgelieferten Handschuhe zu benutzen. Sollte es dennoch mal zu leichten Schlieren kommen, kannst Du diese mit dem „Magic Foam“ entfernen. Für tiefere Kratzer haben wir dem Beauty Kit noch ein „Body Painting“ Fläschchen beigelegt.

EN_beauty kit

In order to keep the beauty for a long time, we ask you always to use the gloves included. In the case of shallow scratches, you can remove them with the „Magic Foam“. For deeper scratches, I come with a „Body Painting“ vial in my beauty kit.

This screenshot shows the homepage of a website for mannequins. At the top, there's a navigation bar with links: THIS IS US, BE INSPIRED, CATALOGUE, SHOWROOM, REFERENCES, and CONTACT. Below the navigation is a large image of three mannequin heads. A central banner features the text "BE INSPIRED" over a photo of a showroom. To the left is a photo of a modern building with glass walls. To the right is a "REFERENCES" section with a photo of a showroom. Below these are sections for "CATALOGUE" (showing a logo for "PREMIUM MANNEQUINS") and "SUSTAINABILITY" (with a photo of a mannequin being dressed). There are also sections for "EASY HANDLING", "HIGH QUALITY", "DIGITAL DEVELOPMENT", and "CUSTOMIZING".
